THE CAMPAIGNS CONTINUE!

While crime spirals out of hand, the Word of God remains constant and sure! The Adventist community continues its third big week of meetings in lifting up the name of Jesus.

Come and support these meetings at the three locations: the big tent at the Queen Elizabeth Sports Centre, Bahamas Academy Gymnatorium, and the tent

at Adderley Street, Fox Hill.

Hundreds will be rescued from the clutch of the enemy! Meetings are held every night except Mondays and Thursdays. Plan to be there tomorrow evening and experience the power of God in your life!

ADVENTIST COMMUNITY SERVICES: Serving in Christ's Name

Adventist Community Services commonly called ACS, is actively involved in meeting the needs of persons scattered throughout the archipelago and other regions of the world. Under the motto, "Serving Communities in Christ's Name" each local Seventh-day Adventist church responds to the Biblical mandate of caring for the needs of

many persons. In addition to the weekly feeding and clothing centers, ACS focuses on six major areas; Youth Empowered to Serve, Caring for The Elderly, Crisis Management, Disaster Response, Tutoring and Mentoring, and Community Development.

Presently, the Grant's Town Seventh-day Adventist Church is in the process of com-

pleting its much anticipated Community Services Centre. Once completed, the two-storey building will serve as a hub for this vital ministry in the inner cities of Bain and Grant's Town. Jesus says, "I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me." (cf. Matthew 25:40).

CHILDREN'S STEWARDSHIP WORKSHOP

"I thought it was all mine!" Yes, this might have been the concept of some of our boys and girls prior to our stewardship workshop on Sunday,

February 27th, however, following the session, they left with the real meaning of Christian stewardship.

Recognizing the importance of training our children to be faithful stewards, the Chil-

dren's ministries Department of the South Bahamas Conference hosted a three hour Stewardship workshop designed specifically for children ages 7 through 14 years.

Approximately 85 vibrant boys and girls excitedly participated as Elder Kenny Deveaux, Stewardship and Family Ministries Director of the conference, presented Christian Stewardship in its total package.

The children were enlightened to be told that they were all managers of God's property.

They participated eagerly in the hands on, interactive sessions featuring the four Ts of stewardship; Time, Talent, Temple and Treasure. At the ending of the workshop, the children buzzed with excitement as they were quizzed, and eagerly answered in exchange for their prizes.

The objectives of the workshop were successfully met, as the children learnt about being faithful to God in taking good care of their bodies and their environment, using their talents and time wisely, and the importance of returning tithe and giving a faithful offering.

SEVEN STUDENTS CHOOSE JESUS

On March 7, 2011, the eager students of Bahamas Academy Elementary, filed into the school's gymnasium to witness the first bap-

tismal service of the school year.

After the fall week of prayer, conducted in October 2010, by Pastors Danny Major

at her school. As a result, a portable pool was prepared for the occasion. Among those in attendance were Pastor Peter Joseph,

the Executive Secretary; Elder C. Melvin Lewis, Treasurer; Mrs. Joan Scavella, Education Director; and Pastors Daniel Major and Lynden Williams who studied with the students.

The students were admirably supported by parents and other relatives. They were ju-

bilant for the awesome decision of these students who showed maturity in making a choice for heaven instead of doom.

It was a service filled with praise as the Grade 5 Praise Team led the audience in singing to prepare for the service. The school's principal, Mr. Anthony Burrows brought brief remarks followed by the speaker, Pastor Paul Scavella, president of the conference.

He admonished the students to always bear good fruits.

The baptismal service witnessed by the entire student body of the elementary division was a moment of solemnity and thankfulness to God for His immeasurable goodness and unfailing love. As the parents and staff looked on, they could not hold back their emotions. They were thankful that the students were choosing the "right path".

After Pastor Scavella baptized the seven students, the school choir rendered a beautiful and fitting selection entitled "Let My Life Praise You."

At Bahamas Academy, we strive for excellence in everything we do; however, our priority is to lead boys and girls to a knowledge of Jesus Christ, in a personal way. The seven students baptized were: Sydney Ferguson, Lauren Kellman, Shannon Seymour, Adawn Symonette, Kevin Tinker, Jayna Cox and Janelle McPhee. We extend sincere congratulations to these students for the bold step they have taken.

-Thalia Sewell, Teacher-Bahamas Academy

and Lynden Williams, a number of students expressed interest in making Jesus their forever Friend. From that group, seven students informed their teachers and parents of their desire to be baptized.

The school graciously responded to their request as one candidate, Adawn Symonette told the Conference President that she wanted to be baptized
